

Blendrahmen / Frame

Flügel / Sash

WAB 813C

Achtung!
Die maximalen Hübe und Kräfte sind immer auf das Fenster abzustimmen. Bitte entnehmen Sie die Daten den aktuellen Datenblättern der entsprechenden Antriebe.

Diese finden Sie unter:
www.windowmaster.de

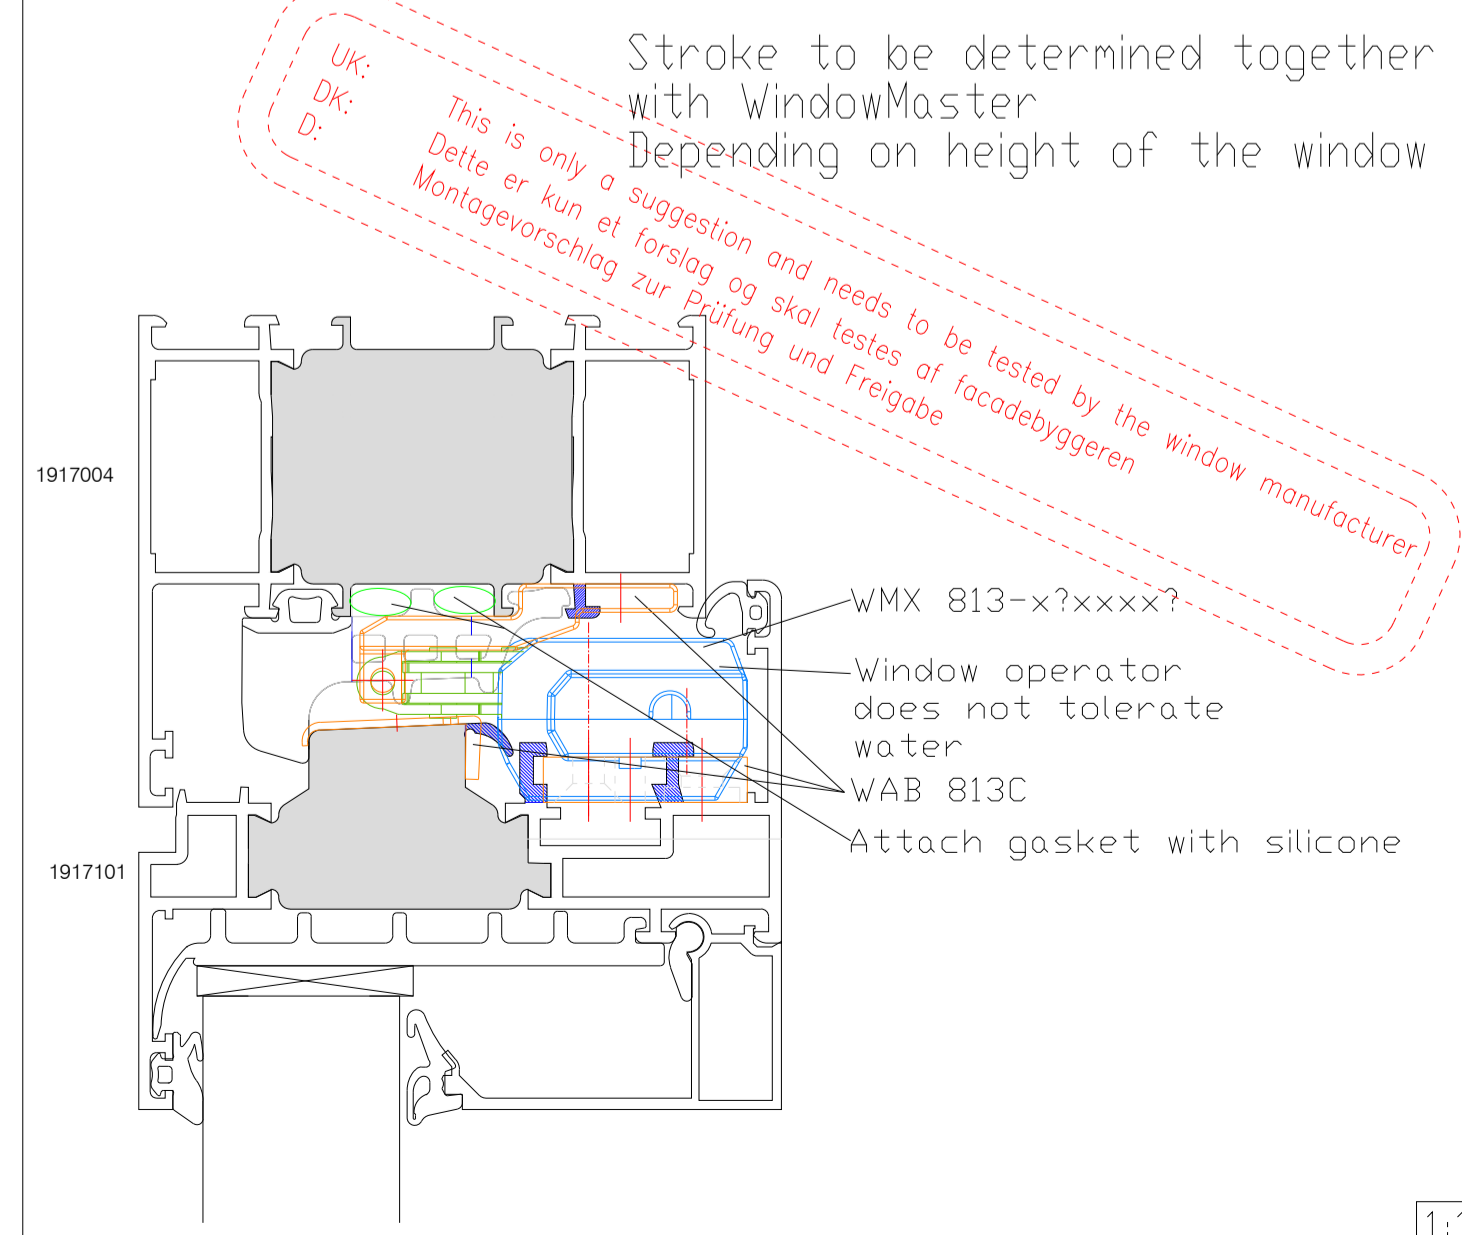

Attention!
The possible stroke and force must be calculated on the current window. Please find the data on the different window operators in the datasheets.

The info can be found here:
www.windowmaster.com

Bemærk!
Den mulige kraft og slaglængde skal beregnes på det aktuelle vindue. Find venligst informationen i databladet på de forskellige motorer

For yderligere info se venligst her:
www.windowmaster.dk
